ATTIRE BLACK TIE

TO HAVE A HEART OF GOLD MEANS TO BE A KIND, CARING, AND GIVING PERSON

Advance Community Health invites you to join us for our Hearts of Gold Impact Night on Saturday, November 9, 2024, at the City Club in Raleigh, NC. This fun-filled evening will feature blackjack, roulette, craps, poker, non-cash prizes, raffles, adult beverages, heavy hors d'oeuvres, music and more. Together, we will celebrate the numerous Hearts of Gold in our community that make it possible for us to deliver high-quality, accessible health care.

All proceeds from the casino night will benefit Advance Community Health's Impact Fund, which is dedicated to supporting our mission to deliver quality, compassionate primary health care – every patient, every time – in response to the needs of our communities. The Impact Fund supports several crucial health initiatives including but not limited to our pharmacy prescription assistance program, mobile health program, pills on wheels pharmacy delivery, healthcare for the homeless program, power hour patient education series, A-Team health ambassadors, and our family foundations program. With your support, we can build healthier communities, one patient at a time.
